To: Rojas, Jason <Jason.Rojas@trincoll.edu>

Dear Students, Faculty and Staff,

We are writing to update the community that we have five new confirmed cases of COVID-19 among students. Of the five cases, three students elected to isolate at home and two are in our on-campus isolation facility. We have activated our contact tracing protocol in an effort to mitigate spread. In total we have seven cases (four isolating off-campus and three isolating on-campus). Additional information can be reviewed on our [dashboard](#).

Thank you.

Sincerely,

Joe DiChristina, Vice President for Student Success and Enrollment Management
Jason Rojas, Chief of Staff and Associate Vice President for External Relations
