Campus Safety is writing to inform you of a suspicious incident that occurred on Tuesday, October 20, at approximately 4:30 pm on Summit Street near Vernon Street. A student reported that as they jogged north on Summit Street, a gray Mitsubishi SUV with Connecticut temporary license plate 88125N2 slowed and began beeping the car's horn to get their attention. The passenger of the vehicle then exited the SUV and began running after the student for a short distance. At Summit and Allen Place, the passenger returned to the vehicle. The vehicle drove past the student on Allen Place, beeped the horn again, and left the area. The student was not injured.

Campus Safety and the Hartford Police Department are currently investigating this incident. Campus Safety would like to thank those involved for quickly notifying the department and bringing this incident to our attention.

When walking on campus, we recommend that students travel in groups, use internal pathways that are well lit, utilize the Campus Safety shuttles, contact Campus Safety for a walking escort or consider utilizing a ride service when traveling off campus. Students are encouraged to enter any campus building or activate a campus blue phone if they feel uneasy or threatened by any vehicle, person, or group. Please contact Campus Safety if you observe any suspicious behavior or if you are the victim or a witness of a crime. Note the location of yellow emergency phones throughout campus and use them to be immediately connected with Campus Safety. You may also call the Campus Safety emergency line at 860-297-2222.
