Subject: Update on AVP for DEI/Title IX Coordinator Search

Dear Faculty,

Anita Davis and Joe DiChristina asked me to let you know that the search process for the Assistant Vice President for Diversity, and Inclusion / Title IX Coordinator will continue so that additional candidates can be identified. While the search committee met with several strong candidates, they were not as yet able to identify someone to fill this key role. They asked that I express their appreciation to all the faculty members who took part in the process and that they look forward to continuing to work with the faculty as the search moves ahead.

Best regards,
Mark Stater
