To The Trinity College Community,

This letter announces the release of the Annual Security Report and Annual Fire Safety Report. The report complies with the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act (the Clery Act). This year's report contains crime statistics for the three previous calendar years of 2017, 2018, and 2019. It also includes institutional policies concerning campus safety, alcohol and drug abuse, sexual assault, crime prevention, the reporting of crimes, and other matters. The report is published on the Campus Safety website here:

<https://www.trincoll.edu/campus-safety/campus-safety-annual-report-2019/>

The report will also be available in hard copy form at the Campus Safety Office at 76 Vernon Street or at the Dean of Students Office located at Cook B.

The purpose of the annual report is to educate students, faculty, and staff about the crime risks in our community and to create an awareness of each individual's responsibility to ensure that our behaviors facilitate a safe living and learning environment.

Crime prevention tips are listed on our web page and members of the Campus Safety Department are available upon request to give crime prevention presentations to campus groups. Our greatest deterrent to campus crime is our sense of community and our willingness to watch out for each other. Please join Campus Safety in our efforts to make Trinity both a welcoming and safe place for all.

Thank you for taking the time to review this report. All of us with Campus Safety are committed to making every effort to enhance your learning experience at Trinity College.

Sincerely,

Brian J. Heavren
