Subject: Commencement for Class of 2020

April 15, 2021

Dear 2020 Graduates,

Thank you for staying engaged with the college as we work to develop plans to celebrate your undergraduate years and achievements at Trinity College with an in-person gathering. I appreciate all who responded to our survey to determine the best time to bring you back together for the celebration. We saw a nearly 60 percent response rate to the survey, and, while we know that no single date would work for everyone, the most selected date is Saturday, June 11, 2022. This date was the first and second most selected date and received the fewest third choice votes.

We ask you to please hold that date, and we look forward to welcoming you back to campus then, during our Reunion Weekend, when our campus will be abuzz with the amazing energy and excitement that comes along with alumni coming back to celebrate reunion. Honoring you will make Reunion Weekend 2022 that much more special as we all look to resume the traditions and events that we hold dear. As we noted in the survey, plans would include a Commencement ceremony, reception, a brunch for graduates and their families, and our traditional Senior Brick Dedication ceremony. On-campus housing would be provided to graduates at no cost, and funds may be available on a limited basis to help cover travel costs for those who need financial assistance.

You have endured so much over the past year, and I hope that we can look ahead with a sense of optimism as we all move forward together as Bantams! Planning for this special event will begin in early September. If you would like to be part of the planning group please sign up [here](#). Please continue to stay safe and healthy. We can't wait to see you again!

Sincerely,
Joanne
