To the Trinity Campus Community:

Campus Safety is writing to inform you that two vehicles were stolen from Summit Street late Monday night and early Tuesday morning.

Campus Safety and the Hartford Police Department are investigating these incidents. Campus Safety has provided images of the vehicle involved in the thefts to the police department.

Campus Safety would like to thank those who brought these incidents to our attention.

Here are some tips to help reduce the chance of your vehicle being broken into or stolen:

- Always lock the vehicle's doors and close all windows
- Do not leave valuables in the passenger compartment of the vehicle
- Place items of value that can't be taken with you in the trunk of the car, out of sight
- Remove any indication that there may be valuables inside the car (phone chargers, GPS and cell phone mounts, etc.)
- Park in busy, well-lit areas
- Don't leave keys or key fobs in the vehicle

As a general reminder, please contact Campus Safety if you observe any suspicious behavior. Please alert Campus Safety immediately if you are the victim or a witness of a crime; note the location of yellow emergency phones throughout campus and use them to be immediately connected with Campus Safety. You may also call the Campus Safety emergency line at (860) 297-2222.
