Dear members of the Trinity community:

On behalf of the Office of Diversity, Equity, and Inclusion, the DEI Faculty Fellows are interested in learning about initiatives across campus that are focused on racial justice and broader DEI issues. We would like to compile a list of groups and work being conducted in these areas across campus by staff, students, and faculty. *Could you please take a brief minute to send Eric Galm any information (including contact information) about the following?* We would like to gather the following information about any groups specifically focusing on DEI work, including:

- **Groups (formal, informal, etc.)**
 - **Any organizational charges, statements of purpose/intent/aspiration, or a general description of the work you are doing**
- **Departmental/Program/Council/Committee initiatives/other groups**
- **Student Organizations**
- **People interested in this work, but not sure how to get connected**
- **Contact information for each group**
- **Webpage that could be linked**

Please send this information to Eric Galm (eric.galm@trincoll.edu) by **Friday, March 19**, so that we can move forward with this important effort. This will allow us to better communicate about the work that is being done and to foster connections. If you have questions about what you might submit, please contact Eric directly.

We plan on compiling and sharing our results with the community and listing it on the DEI website.

Thank you for your assistance!

Eric Galm and the DEI Faculty Fellows (Stefanie Chambers, Sarah Raskin, Carlos Vega, and Yipeng Shen)
