Dear Students,

After careful planning and internal reorganization, The Office of Student and Community Life is pleased to make the following announcement:

Trevor Beauford has accepted the position of Assistant Dean of Community Life and Restorative Justice and Director of Greek Life. Dean Trevor was already a valued member of the Trinity community, having served in the role of Interim College Chaplain. His new role will focus on Greek life, Nest Dean, and working with our community around practices of restorative justice.

In his role with Greek life, Dean Trevor brings 20 years of involvement. A current life member of Alpha Phi Alpha Fraternity, Inc., Dean Trevor currently serves as the Chapter Advisor for the Kappa Delta Chapter at UConn and was instrumental in helping to establish the Sigma Zeta Chapter here at Trinity College. He has served on every level in fraternity life as a member of its National Board, faculty for the Alpha National leadership development academy, Chief of Staff for his region, intake manager, and is currently active in the local chapter in Hartford. He plans to help the Greek community focus on leadership, chapter development, philanthropic and community service efforts, and diversity.

Dean Trevor has a Bachelor of Arts from Winthrop University and a Master of Divinity from the School of Divinity at Howard University. His entire professional career has been spent helping to develop and mentor young adults and he brings that passion to the role. Please join us in welcoming Dean Trevor Beauford to his new role on campus.
