Re: Trinity College Alumni Association

Dear Beth,

In the short time we have worked together, I have appreciated your time and support as the TCAA embarked on a new path forward out of the pandemic. We have been extremely active!

As you are aware, two weeks ago a concern was brought to my attention about my eligibility to continue serving the TCAA as President. The concern was in no way related to my actions while serving as an officer, but related to the operational procedures for nominating officers under a close reading of the now-former by-laws of the TCAA.

After very careful evaluation of the concern, seeking counsel not only from you but also from other individuals formerly connected with the TCAA as well as the college's General Counsel, and after consulting the available minutes of the association over my tenure as an officer, I have determined that the concern raised is a valid one.

More than anything, my service through the TCAA has been driven by a deeply rooted desire to do what is best for my fellow alumni, and to represent them with care, passion, and compassion. This includes ensuring that, under my stewardship, the TCAA acts with integrity, and to me that means that unless circumstances like a global pandemic require otherwise, we act in accordance with our by-laws. It is for that reason I feel I must step down as President of the TCAA.

It has been my great privilege and honor to serve the association as a member and as an officer. It is now time for me to tender my resignation, which will take effect at a date to be determined by the TCAA Executive Committee.

Very truly yours,

Jamie Szal
