Dear Members of the Trinity Community,

On February 28, 2022, I [shared a message](#) with our community outlining the process we would undertake to conduct a Title IX audit assessing the college's athletic offerings, including issues of equity, facilities, and resources. I am writing to you today to provide an update on this important audit.

The attorneys conducting the audit, [Phil Catanzano](#) and [Janet P. Judge](#) from Education & Sports Law Group, have reviewed our facilities and have conducted interviews with coaches and athletic department staff. Surveys and interviews with student athletes are forthcoming.

It is our intent for the audit to be completed by the end of the summer and to provide a summary of the findings and recommendations in the early fall. The college will use the findings and recommendations to develop and enact short- and long-term strategies, with the goal of ensuring fair and equitable experiences for all our student athletes.

We appreciate all that have been and will be involved in this process.

Sincerely,
Pamela N. Whitley
